

# Watering Schedule

## TREES & SHRUBS

<b>Week 1 to 3</b>	Generous watering once each day
<b>Week 4 to September 31<sup>st</sup></b>	Water once every other day
<b>First winter</b>	Once each week
<b>Year 2 to 3</b>	2 to 3 times per week <b>April - August</b>
<b>Year 3 – on</b>	Summer 1 to 2 times per week Winter once per week

## 1 GALLON SHRUBS & PERENNIALS

<b>Week 1</b>	Twice each day
<b>Week 2 to 3</b>	Once each day
<b>Week 4 to September 31<sup>st</sup></b>	Once every other day
<b>Year 2 on</b>	Check ground moisture often (daily summer, weekly winter) to determine watering needs.

This is only a guide! Watering requirements may change depending upon weather conditions. Especially during the hot, dry days of summer, plant material may require watering 2-3 times per day. Please stop in Warner's with any questions or concerns.
